TOURNAMENT DETAILS

Tournament flow

Step 1: Register via www.soggrandmasters.com or www.playirg.com
 Step 2: Participate in Online Qualifiers on above mentioned dates.
 Step 3: 150 players from Online Qualifiers play Zonal Finals at the respective venue of the zone on the above mentioned dates.

Tournament Rules

- During online qualifiers, all the online organizer's regulations will be followed strictly by the registered players.
- After online qualifiers, 150 players will progress towards the zonal finals in respective zonal venue.
- Travel and Stay of the 150 zonal finalists will be taken care by the organising committee.
- In order to be eligible for any prize money, qualified players must attend & participate in Zonal Finals.
- During Zonal Finals, a player is forbidden to use a mobile phone and/or any other electronic devices (including all type of wrist watch) during gameplay. If it is evident that a player is using such a device during the game, he/she shall lose the game. The opponent shall win. No bags will be allowed inside the tournament hall.
- The Organizing Committee reserve the rights of participation & venue. All terms and conditions of SOG Grandmasters Series to be followed. The organizer reserves rights to change T&C without prior notice.
- Indian Rummy Grandmasters is a free registration tournament. No registration fees will be applicable.
- Players play against each other in a multi-level tournament.
- Every player will get an equal number of points (known as starting stack) when the tournament begins.

TOURNAMENT DETAILS

Tournament Rules

- Players' points balance (or stack) will change based on the outcome of each deal. Winning increases the points while losing a deal decreases the point balance
- Participants can drop in each deal and move to a different table where a new deal will start. Standard drop point deductions will apply.
- Every level will have a specific time limit and corresponding points.
- After each deal, a Participant is required to have minimum points to play the next deal based on the level's points value. You will be eliminated if the score goes below minimum points.
- Participants who have been eliminated will be ranked by the time at which they are eliminated. The later a Participant gets eliminated, the higher their rank.
- Players qualifying to the next stage will be as per top ranks of the leaderboard at the end of the tournament.
